## January 2020

Block

20

Take the 7" strip out of your "G2" and your "G9" bags. Place them right sides together, and cut the selvages off. Cut 3 pairs of 7" squares. Draw a line (from corner to corner) on the back of each pair; sew on either side of the line and cut on the line. Press.

You should now have SIX half-square triangles, each measuring 6 1/2" - place them back in the "Block 20" bag.
