The Scholarship will be called the Kay Bryant Memorial Scholarship and will be awarded to one member each year. This requires a change in the guild bylaws, so we are required to post the change, in writing, 2 weeks prior to holding a vote. If approved, the change in the Bylaws will read as follows:

Article IV: Membership

Section 4: Scholarship: *The Board of Directors will administer the Kay Bryant Memorial Scholarship, a scholarship honoring guild founder, Mrs. Kay Bryant. All members in good standing are eligible for nomination, excluding elected officers and the previous year's recipient. General Membership Meeting Minutes - September 18th, 2016

The meeting today begins with the programs. A member of from the Armed Services YMCA presented a project that may be appropriate for our Guild to consider. The Armed Services YMCA provides various services such as financial assistance, everyday needs in addition to programs such as Operation Heroes providing support to children. The group also hosts a variety of events in support of the mission.

The group accepts applications and assembles a packet (photos, precut fabric, and pattern) and ask volunteers to piece and quilt.

Questions from the audience included a question of how to get involved. A list to sign up was passed around. Another question from a member is whether volunteers can sign the quilt. Volunteers can include a card, a label or suitable individual stamp on the quilt. It was suggested the group attend a Guild sew day and our members could cut and assemble quilt kits. Quilting gives me someplace to go when I have to stay where I am.

NICU Stocking Directions

Supplies:

- Approximately 12" by 18" rectangle for the front of the stocking (or piece from scraps as desired)
- Approximately 12" by 18" rectangle of batting
- Approximately 12" by 18" rectangle of lining fabric
- Approximately 12" by 18" rectangle of backing fabric
- 7" by 14 ¾" rectangle of white solid fabric for cuff
- 2" by 6" rectangle of scrap fabric for stocking hangar OR use a 6" length of ½" wide ribbon

1) Pin pattern to 12" by 18" stocking front fabric and cut one. Layer lining, batting and stocking front and quilt as desired. Place quilted front on backing rectangle, right sides together (Diagram IV). Stitch around the stocking, ¼" from trimmed edge, leaving top unstitched. Trim backing fabric even with stocking front. Turn stocking right side out.

3) Fold 2" by 6" rectangle in half lengthwise, wrong sides together (Diagram V). Fold long raw edges to meet at center fold, and press. Fold once more (strip will be ½" wide) and stitch close to folds, sewing through all layers. Fold in half to make hanging loop. NOTE: Skip this step if using ribbon for stocking hangar.

4) Referring to Diagram VI, sew together short sides of white 7" by 14 ¾" rectangle, right sides together. Turn right sides out and fold so that raw edges along the long sides are aligned to make cuff.

5) Referring to Diagram VII-A, pin hanging loop inside stocking. Place cuff inside stocking, align all raw edges and pin (the hanging loop will be between cuff and stocking). Stitch ¼" around top. Turn cuff to right side of stocking (Diagram VII-B).
