PRESIDENT'S CORNER

Wow, it seems so far between meetings, but fathers are important, so we must put our meeting to the end of the month. We have so much planned for the next couple months so be sure and sign up for the special teachers.

You can learn so much from them.

Please help get the word out, we are back at Westminster Presbyterian Church, our old home. Have a great summer! If you miss the postcard class, just let me know and we will do it again. See you June 26th at 1:30.

Block of the Month (BOM) Updates

First, I have to apologize for not making it to the May meeting. One of my tires went totally flat on the way to Guild. The lug nuts were on so tight that we couldn't get the tire off to put on the spare and had to drive through Fayetteville to an open tire shop – it took the whole afternoon.

Back to the Block of the Month – did you know that there are at least 8 ways to make Half Square Triangles (HST) according to Harriet Hargrave (Quilter's Academy- Vol. 3 Junior Year) – and I know at least one more that isn't in her book. I write the instructions on how to make an HST using the Sew and Slice method in the BOM patterns. If you have a quarter inch foot with a side guide, you may want to Slice and Sew instead; the square you start with is the same size. This month I've also included the measurement for using the EZ Angle ruler.

This month's block, Five Patch Star, requires 8 HST. If you would like to try making 8 at a time, check out <https://chezstitches.blogspot.com/2014/05/the-magic-8-revisited.html>.

The finished size of the HST in the BOM is 2" (trim unfinished HST to 2 1/2").

Pat Poulson, BOM Coordinator

Baby Quilts Update

We had 22 baby quilts donated at our May meeting. I delivered 10 boy, 11 girl, 1 set of girl twins and a set of TRIPLETS for a total of 26 quilts. I have 64 quilts on hand. Thanks for all the great work you ladies do.
